Opening Reception: July 20, 4 - 6 pm
First Friday Reception: Aug. 5, 5 - 8 pm
Gallery Hours: Wed. – Sun. 12 - 6 pm

Boston Sculptors Gallery is pleased to showcase three-dimensional works created by students and alumni of the Montserrat College of Art. Spanning diverse media, the work featured in the exhibition makes use of traditional and alternative materials, ranging from granite to egg cartons, wood to found letters, and also includes performance elements. Whatever the medium, each artist's personal voice shapes the form, creating a diverse and delightfully unpredictable selection of sculpture.

Located in Beverly, MA, Montserrat draws students from the greater New England area and beyond. Providing a vital learning community for students deeply engaged in the study of art and design, Montserrat encourages and nurtures each student's unique talents, visions, aspirations and commitment.
